Intern for Financial Analyst Investments (m/f/d)*
for the central division of the Group CIO

Location
Munich

The Group Investment Management (GIM) division is responsible for managing the proprietary Munich Re and ERGO investment portfolio of around €250bn. Within GIM, overarching investment related tasks are consolidated in the Investment Development department.

The Investment monitoring team is responsible for providing timely information on the investment portfolio and thus allowing GIM to effectively steer Munich Re’s and ERGO’s assets and to make well informed investment decisions.

Your job
● Supporting the development of analytical methods and tools as well as optimizing the investment data basis and driving digitalization
● Supporting the development of the KPI and reporting landscape for investments
● Supporting the monitoring of performance and risk KPIs
● Supporting the production of regular reports and conducting ad hoc analyses

Your profile
● Studies in business administration, economics, business informatics, maths/statistics or related fields
● Knowledge in Power BI, analytical programming languages (e.g. Python, R) is a plus
● Excellent communication and organisational skills; motivated and hands-on mentality
● First experiences in capital markets

About us
Munich Re is one of the world’s leading reinsurance companies with more than 11,000 employees at over 50 locations around the globe. We are working on topics today that will concern the whole of society tomorrow, whether that be climate change, major construction projects, gene technology or space travel. We find solutions to these challenges through a network of highly qualified professionals who anticipate risks, work on tailor-made solutions and expertly advise our clients. If you want to help shape the future as part of one of our teams, we look forward to hearing from you. Please click on the link to apply online.

* Munich Re not only stands for fairness with regard to its clients; it is also an equal opportunity employer. Severely disabled candidates will also be prioritized, if equally qualified.
