IFCO is the leading global provider of reusable packaging solutions for fresh foods, serving customers in 50+ countries. IFCO operates a pool of over 314 million Reusable Plastic Containers (RPCs) globally, which are used for over 1.7 billion shipments of fresh fruits and vegetables, meat, poultry, seafood, eggs, bread, and other items from suppliers to grocery retailers every year. IFCO RPCs ensure a better fresh food supply chain by protecting freshness and quality and lowering costs, food waste and environmental impact compared to single-use packaging.
