Intern, Life & Health Technical Accounting (m/w/d)*
Focusing on automatisation & digitalisation solutions

Location
Munich

As an appreciated partner, Reinsurance Accounting (RIA) provides timely reliable accounting information to internal and external stakeholders. We act passionately to support business value creation while relying on harmonized processes, methods and tools to efficiently lead global operations. We are a global, diverse team of highly motivated experts, value open communication and are eager to actively help shaping the RIA of tomorrow. To strengthen our teams in Reinsurance Technical Accounting Life, we are looking for a qualified and committed university student, graduate or young professional. The responsibility for technical accounting extends mainly to the European markets. In this interesting and very dynamic environment you can look forward to a broad and challenging field of activity with many opportunities for development. You should have a keen interest in helping to shape and implement efficient and innovative processes and an independent and inquisitive way of thinking.

We are looking for a motivated intern for a 6 months internship in fulltime.

Your job
- Creation of automatisation templates for the Bordereaux and Statement of Accounts checks and postings
- Developing and maintaining our PowerBI-Dashboard for our Business Unit
- Providing assistance to enhancement and standardisation in the context of IFRS17 and IFRS9
- Building found knowledge in reinsurance business (Life & health)

Your profile
- Pursuing a degree in Business Administration, Economics, Finance and Accounting or equivalent studies
- Accounting affinity, analytical skills and very good understanding of numbers and data
- Good Excel knowledge, ideally experience with PowerBI
- Distinct willingness to innovate, drive change and overcome obstacles
- Motivated, enthusiastic, positive and proactive attitude with team spirit
- Very good command of written and spoken English and German

About us
As the world’s leading reinsurance company with more than 11,000 employees at over 50 locations, Munich Re introduces a paradigm shift in the way you think about insurance. By turning uncertainty into a manageable risk we enable fundamental change. Join us working on topics today that will concern society tomorrow, whether that be climate change, major construction projects, medical risk assessment or even space travel. Together we embrace a culture where multitalented teams dare to think big. We create the new and the different for our clients and cultivate innovation. Sounds like you? Make it happen and be part of Munich Re.
