Intern ESG Data Analyst Investments (m/f/d)*
for the GIM ESG Team

Location
Munich

The Group Investment Management (GIM) division is responsible for managing the proprietary Munich Re and ERGO investment portfolio of around €240bn. The GIM ESG team is responsible for deriving ESG strategies for our investments. This includes analyzing large ESG data sets and specific ESG topics relevant to our investments.

Your job
● Responsibility for the data pool on sustainability / ESG criteria in capital investment
● Ensuring the quality of the data in terms of content and integrity
● Ensuring the implementation of regular data updates
● Implementation of new data fields
● Carrying out issuer screenings and searches
● Contact person for external data providers
● Participation in projects in the above mentioned topic area

Your profile
● High interest in the topic area of sustainability / ESG
● Studies in business administration, economics, business informatics, mathematics/statistics or related fields
● Knowledge of database and programming languages, e.g. SQL, R, Python
● Experience in Power BI and Databricks a plus
● Experience in investment management and capital markets desirable
● Excellent communication and organizational skills; motivated and hands-on mentality
● Independent, reliable and responsible way of working as well as high flexibility
● Analytical way of thinking and solution-oriented view for the essentials
● High degree of initiative and curiosity
● Very good command of written and spoken English

About us
As the world’s leading reinsurance company with more than 11,000 employees at over 50 locations, Munich Re introduces a paradigm shift in the way you think about insurance. By turning uncertainty into a manageable risk we enable fundamental change. Join us working on topics today that will concern society tomorrow, whether that be climate change, major construction projects, medical risk assessment or even space travel. Together we embrace a culture where multiskilled teams dare to think big. We create the new and the different for our clients and cultivate innovation. Sounds like you? Make it happen and be part of Munich Re.

● You will work in an environment where we think big: Change and culture are continuously role-modeled. We create and articulate a compelling and ambitious shared purpose, vision and direction. We pave the way towards success and see failure as learning
● You are going to experience that we care & dare: We are empathetic. We know when to lead and know when to let others lead. We attract, grow and coach future leaders
● We communicate in a clear & authentic way: We interact with a positive and humble spirit. We solicit feedback, ask and listen, learn and unlearn
● You will grow with your clients: Whatever our role, we support business, in an efficient and effective way, to create value for our clients. We embrace new ways of working leveraging digitalization to deliver solutions
● Join us, and experience that we lead the Wei: We have a passion for winning and growing as a team. We inspire people to be capable of joint performance. We create an inclusive environment where different thoughts, generations, cultures and experiences are valued and encouraged
