Intern for Business Continuity Management (BCM) (m/f/d)*

Location
Munich

The section ICT Risk Assurance constitutes a central team of subject matter experts for the area of Information and Communication Technology Risks (ICT Risks) and related risk management topics. Within this subset of non-financial risks (NFR), the team contributes the necessary specialist know how to advance the relevant control frameworks, challenge 1st LoD units, coordinate global exercises as well as response to incidents of global relevance. This team maintains a strong relationship with other central NFR functions, the regional NFR heads as well as relevant 1st LoD functions - esp. Central IT, Central Procurement and Global Real Estate & Services. The team also collaborates closely with the primary insurance segments and supports cross-segment information sharing. In severe incident and crisis situations, the team actively manages these cases and thus fosters Munich Re Group’s global organizational resilience.

Your job

- Support the BCM project team in a variety of tasks with a focus on data analysis and visualization
- Help create and consolidate reports (via Excel), identifying trends and gaps
- Support internal and external project communication
- Additional tasks (if time allows), such as creating PowerPoint slides and process documentation, SharePoint or MS Teams administration, etc.

Your profile

- Very strong data analysis skills in MS Excel; proven track record via certification, contests, internships is a plus
- Excellent communication skills (written and verbal)
- Self-starter with solid critical thinking skills
- Reliable, accurate, with attention to detail
- Strong interest in insurance and reinsurance topics
- Fluent English, German is a big plus

If you are genuinely interested to play an active role in shaping a new function and have the necessary background, we look forward to receiving your application.

Students from countries outside the EU require a German residence-/work permit.

About us

As the world’s leading reinsurance company with more than 11,000 employees at over 50 locations, Munich Re introduces a paradigm shift in the way you think about insurance. By turning uncertainty into a manageable risk we enable fundamental change. Join us working on topics today that will concern society tomorrow, whether that be climate change, major construction projects, medical risk assessment or even space travel.

Together we embrace a culture where multitalented learners dare to think big. We create the new and the different for our clients and cultivate innovation.

Sounds like you? Push boundaries with us and be part of Munich Re.

Our employees are our greatest strength. That’s why we offer them a wide range of benefits.

Unlock your potential:

- Diversity, Equity & Inclusion: we embrace the power of differences and are convinced that diversity fosters innovation and resilience and enables us to act braver and better.
- Continuous Learning: we believe that continuous learning is a key differentiator and critical for building new skills and accelerating growth.
- Career Mobility: we actively support career mobility, and our strong global and regional presence offers a wealth of career growth opportunities for you.
