Intern Financial Accounting -
IO Collaboration (m/f/d)*

Location
Munich

Reinsurance Accounting (RIA) timely provides reliable accounting information to internal and external stakeholders. We act passionately to support business value creation while relying on harmonised processes, methods and tools to efficiently lead global operations. We are a global, diverse team of experts, value open communication and are eager to actively help shaping the RIA of tomorrow.

To strengthen our GPO Team, we are looking for a committed student. You can look forward to a broad and challenging task area with many opportunities for your development. You collaborate with local accounting departments (IO) all over the globe.

Your job

• Support the team in the setup of the changed collaboration concept with the international organisation.
• Support in the setup of the technical accounting benchmark process including control & quality assurance requirements setup
• Support the international organisation in technical accounting topics

Your profile

• Pursuing a degree in Business Administration, Economics, Finance and Accounting or equivalent studies
• Accounting affinity, analytical skills and very good understanding of numbers and data
• Good Excel knowledge, ideally experience with PowerBI
• Distinct willingness to innovate, drive change and overcome obstacles
• Motivated, enthusiastic, positive and proactive attitude with team spirit
• Very good command of written and spoken English and German

Students from countries outside the EU require a German residence-/work permit.

About us

As the world’s leading reinsurance company with more than 11,000 employees at over 50 locations, Munich Re introduces a paradigm shift in the way you think about insurance. By turning uncertainty into a manageable risk we enable fundamental change. Join us working on topics today that will concern society tomorrow, whether that be climate change, major construction projects, medical risk assessment or even space travel. Together we embrace a culture where multiskilled teams dare to think big. We create the new and the different for our clients and cultivate innovation. Sounds like you? Push boundaries with us and be part of Munich Re. Our employees are our greatest strength. That’s why we offer them a wide range of benefits.

Unlock your potential

• Diversity, Equity & Inclusion: we embrace the power of differences and are convinced that diversity fosters innovation and resilience and enables us to act braver and better.
• Continuous Learning: we believe that continuous learning is a key differentiator and critical for building new skills and accelerating growth.
• Career Mobility: we actively support career mobility, and our strong global and regional presence offers a wealth of career growth opportunities for you.

Apply now!

*Munich Re not only stands for fairness with regard to its clients, it is also an equal opportunities employer. Severely disabled candidates will also be prioritized, if equally qualified.
